Look deeply, carefully into the crowd ...  
 It's an awesome feeling to see the faces  
 to hear the voices  
 to feel the impact  
 to touch the strength  
 to taste the beauty  
 to be a part and yet apart ...

Look to this day!  
 For it is life, the very life of life.  
 In its brief course  
 Lie all the verities and realities of your  
 existence:  
     The bliss of growth  
     The glory of action  
     The splendor of achievement  
 For yesterday it is but a dream  
 And tomorrow is only a vision,  
 But today well lived makes every yesterday  
 A dream of happiness  
 And tomorrow a vision of hope.  
                     The Sanskrit.

Guided by oneself,  
to produce  
to fulfill  
to give  
to share ...

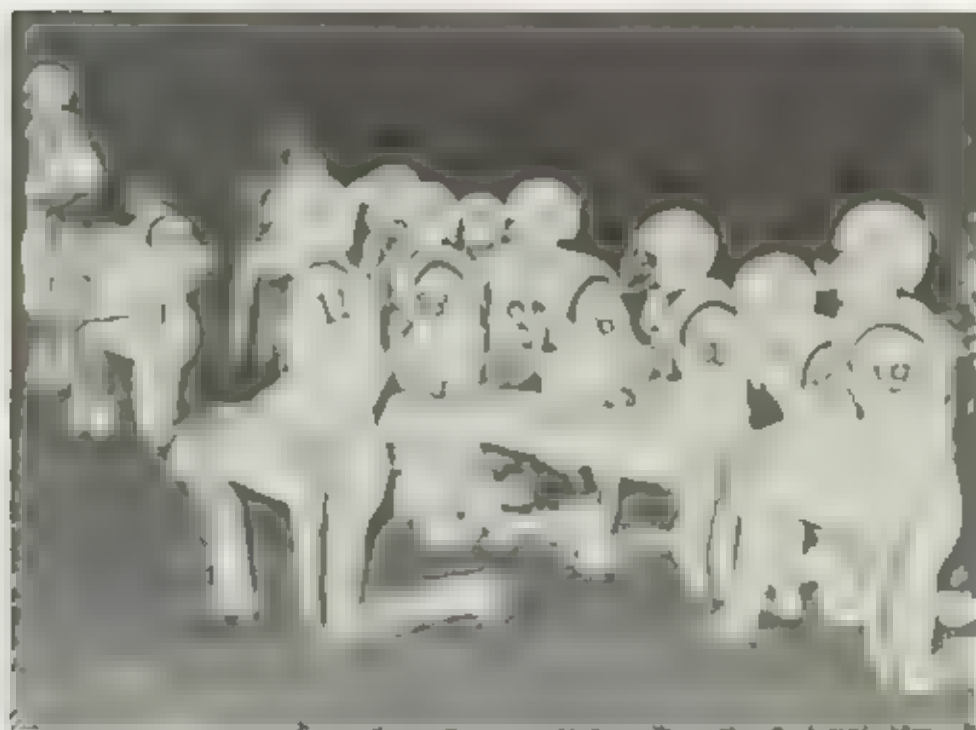

to possess and not to share  
is to live in blind pursuit.

And to the open-handed the search for one  
 who shall receive is joy greater than giving  
 Gibran

In the flow of daily life  
I look for myself within the masses ...

striving to be an integral part  
while retaining my identity

among the crowd  
within the laughter  
inside the classroom  
over the shouting  
down the walkways  
outside the buildings  
on our campus

I see myself

In the realm of our lives lies the significance  
of each person

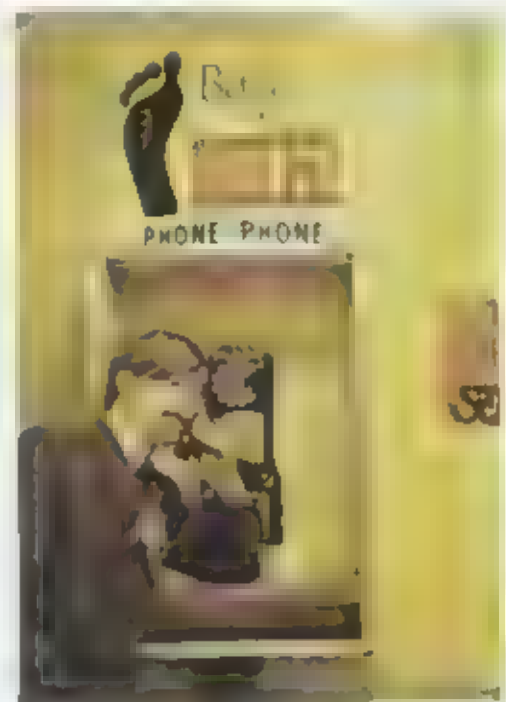

a blind man cannot see  
yet he hears while a deaf man does not  
the artist may not sing well,  
so he expresses himself through colors  
while the musician communicates through sound  
So it is with the qualities  
of each being

We are all not weak in the same spots, and so we supplement  
and complete one another, each one making up in himself for the  
lack in another

Merton

Probing, questioning, discovering  
Such is the learning process.

. my library was  
dukedom large enough  
Shakespeare

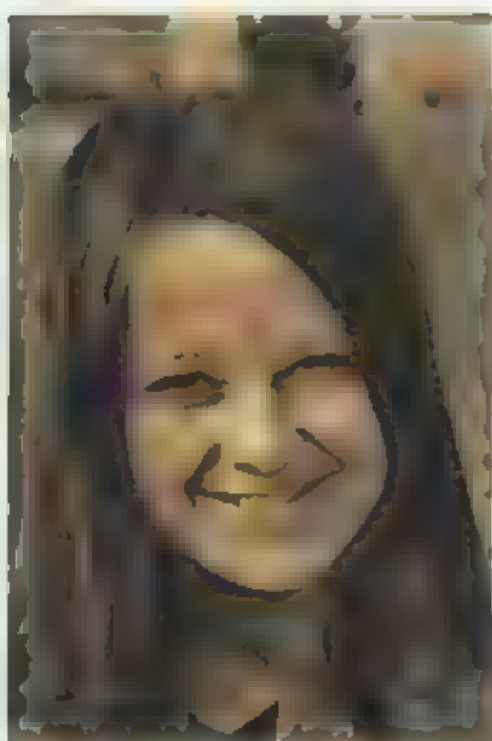

Who can measure  
What we give to life  
Through our seemingly meaningless actions?

a smile  
a sigh  
a laugh

unique to oneself,  
immeasurable to others

The dreadful reckoning, and men  
smile no more

Gay

Be to her virtues very kind,  
Be to her faults a little blind  
Prior

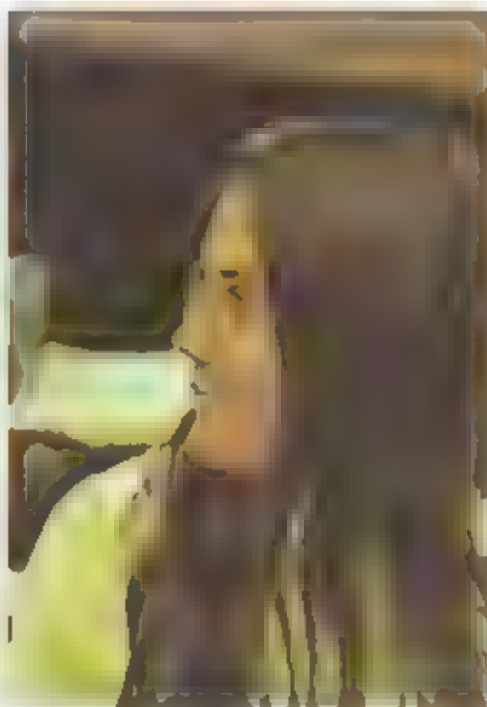

Finding what I want to do,  
where I want to go  
and a means to fulfill my goals is the most complex problem  
facing me today

What I must do, is all that concerns me,  
not what the people think  
the great man is he  
who in the midst of the crowd  
keeps with perfect sweetness the independence of solitude  
Emerson

Half the joy of life is in little things  
 taken on the run.  
 Let us run if we must—  
 even the sands do that—  
 But let us keep our hearts young  
 and our eyes open  
 That nothing worth our while  
 shall escape us.

Cherbuliez

It is in our daily existence  
 that we find happiness—  
 In doing the little things that bind us together  
 yet make us ourselves.

How can you ask if I'm happy going my way?  
You might as well ask a child at play ..  
There's no need to discuss or understand me,  
I won't ask of myself to become someone else,  
I'll just be me

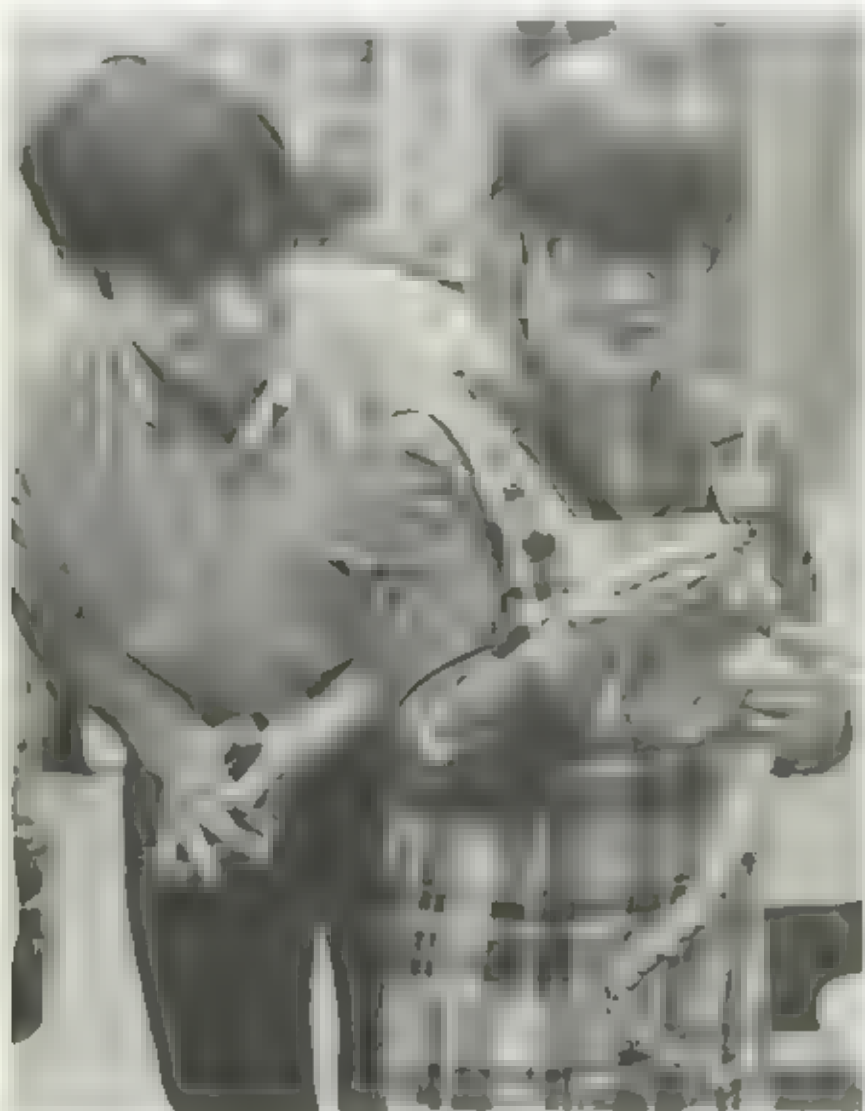

Yarrow and Yardley

Every day helps decide about us

about the richness of our wisdom,  
the tenderness of our hearts,  
or the fullness of our lives  
Forst

With all of yesterday as our guideline,  
And the dreams of tomorrow as our motivation,  
We are able to live each today to the fullest extent

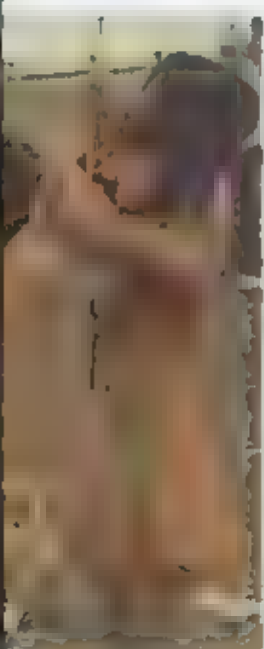

Let each season encircle all the other seasons.  
And let today embrace the past with remembrance  
and the future with longing

Gibran

Spirit is an individual matter  
as well as a group effort

..it is in personal contributions  
that the significance of spirit lies  
In each one giving of himself what he is able  
and when he is able  
Lies the true essence of spirit

I have met you and do not know how you came, and where you'll go  
When we talked, I could not see the inner beauty you offered me  
But as we live we will grow; I will understand this unknown glow,  
It's not what you have given me—it's only what I see in me

. Thanks is such a finite word—love for all is now my course  
 You'll be there, a part of me—like the beauty of the endless sea  
 G. Rodriguez

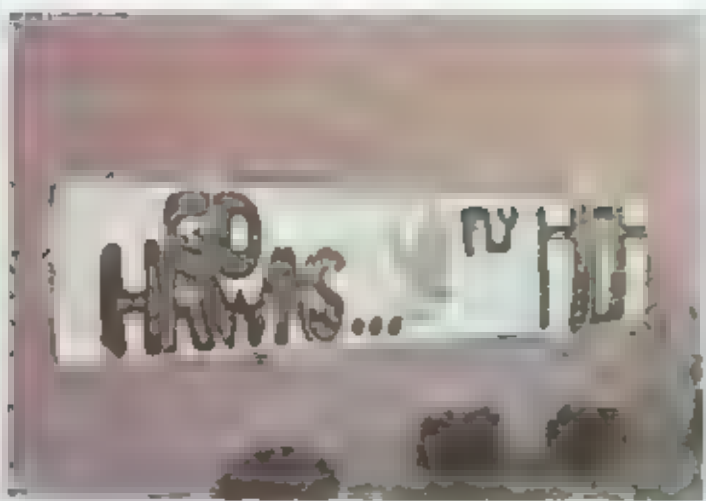

Unification  
yet  
Individualism  
two of the many ingredients  
in Life ..

.. almost seemingly impossible to join them both;  
a co-ordination of the two  
that involves the group  
yet recognizes each one

Uniting different factions  
to produce one

none stands alone

... to be outstanding  
improves the work of all.

## ORCHESTRA

There is a strong yet sensitive  
 beauty within the world of music.  
 It is a beauty that enables one  
 to express himself freely and openly  
 With the path wide open  
 there is infinite wonder to the depths  
 the musician is able to enter

## CONCERT CHOIR

If you can keep your head when all about you  
Are losing theirs and blaming it on you,  
If you can trust yourself when all men doubt you,  
But make allowance for their doubting too  
If you can meet with Triumph and Disaster  
And treat those two imposters just the same  
If you can make one heap of all your winnings  
and risk it on one turn of pitch-and-toss,  
And lose and start again at your beginnings  
And never breathe a word about your loss  
Yours is the Earth and everything that's in it,  
And—which is more—you'll be a man, my son  
Rudyard Kipling

## RIFLE TEAM

Stephanie Zorbas

We give life  
our beliefs  
our ideals  
our energy  
ourselves

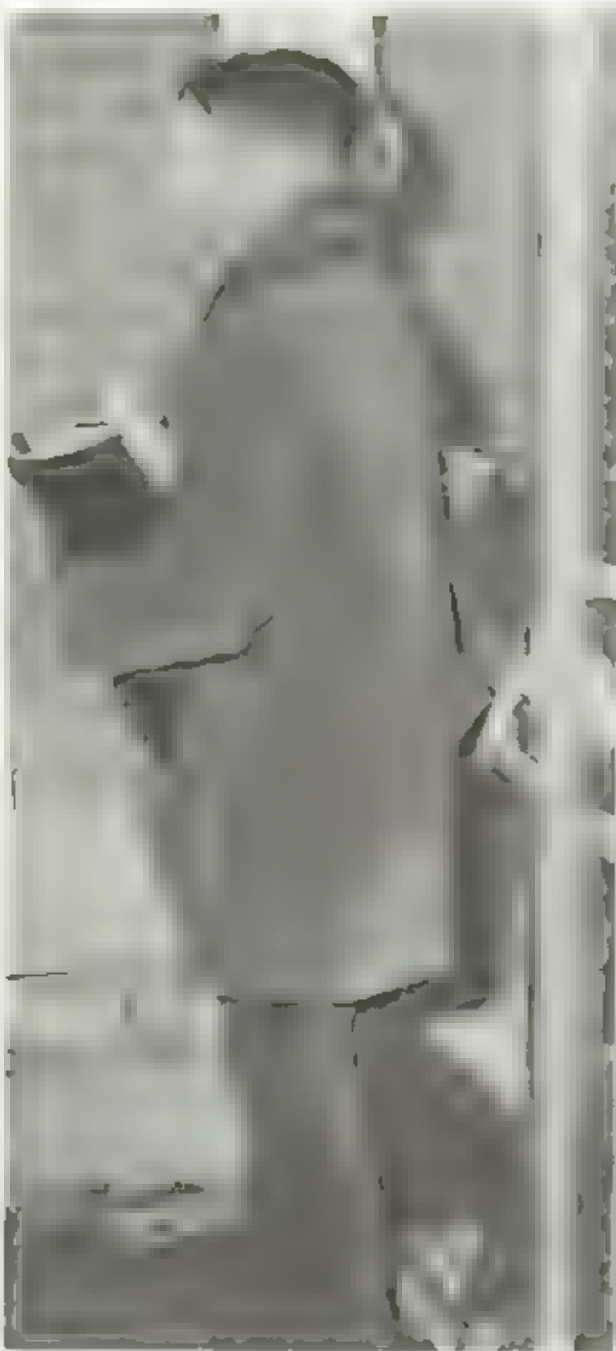

I am young  
I will live  
I am strong  
I can give  
You the strange  
Seed of day  
Feel the change  
Know the way

Beckett and Buckley

you shall above all things be glad and young  
for it you're young, whatever life you wear  
it will become you; and if you are glad  
whatever's living will yourself become

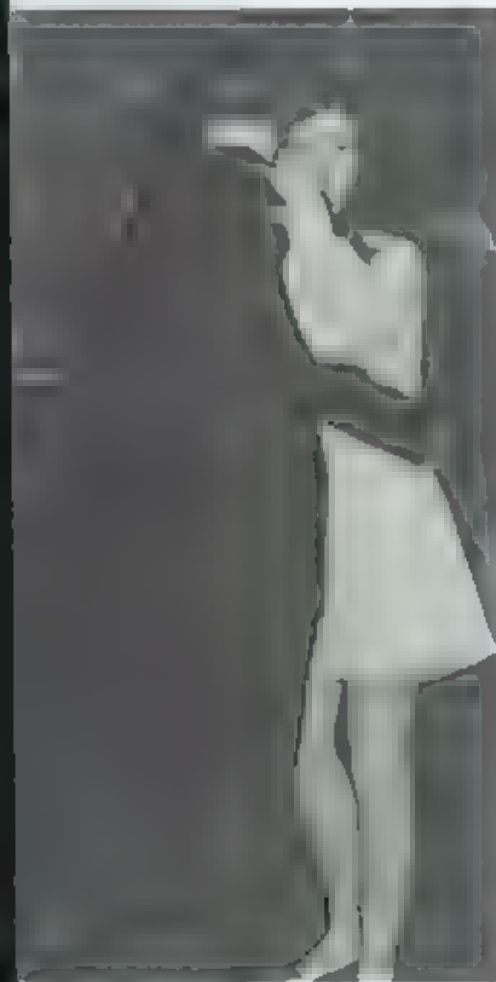

ae e. cummings

May the reality of  
Youth never leave us  
let us always live  
with the freedom of thought  
the drive for change  
and the splendor of love

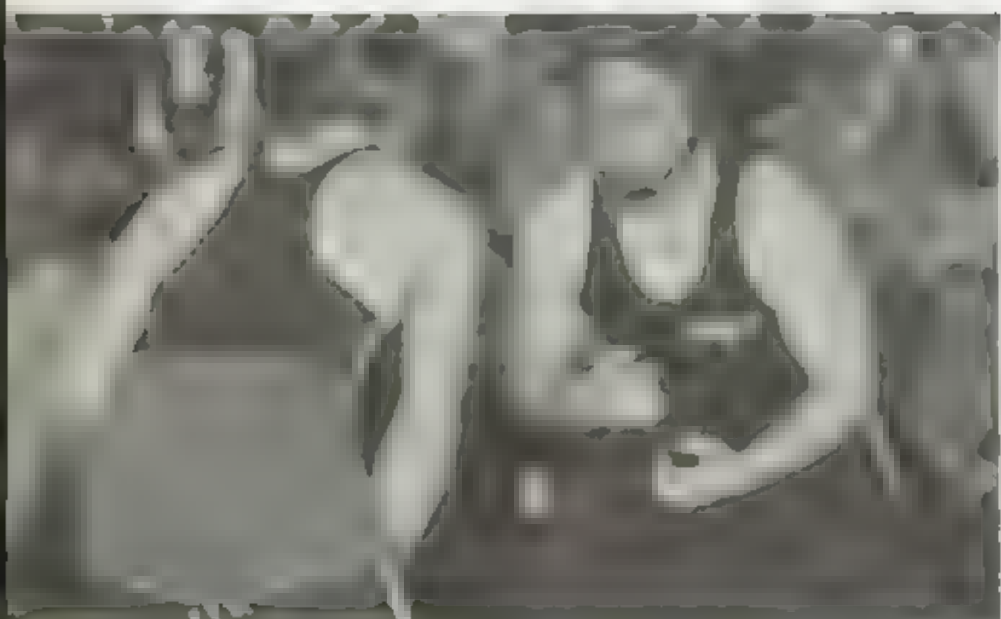

for the days  
    when we smiled  
and the hours  
    that ran wild  
with the magic  
    of our eyes  
and the silence  
    of our words  
and sometimes I wonder  
just for awhile  
will you ever remember me?

Buckley

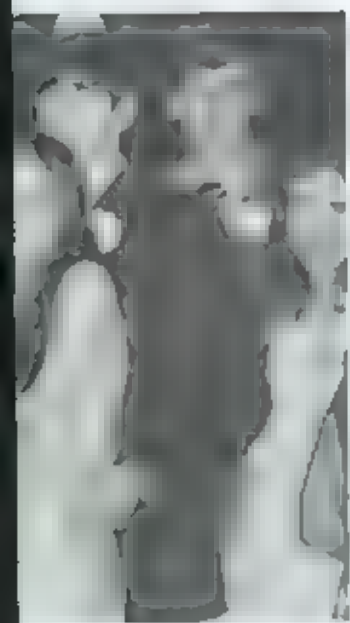

I will receive from them  
                   not what they have,  
 but what they are  
 They shall give me  
                   that which properly  
 they cannot give me,  
                   but which radiates from them

Emerson

With the small part of life  
We have experienced here,  
We move on

. to new places, new people, new events  
 Change is inevitable.  
 Time cannot stand still  
 We cannot stand still  
 Youth renders us to seek the answers  
     to probe the mysterious  
     to run with the wind  
     and discover the new ..  
 ... with each one seeking  
     probing  
     running  
     and discovering  
 the essence of life  
 in his own Individual way

I am only one,  
 But still I am one  
 I cannot do everything,  
 But still I can do something.  
 And because I cannot do everything  
 I will not refuse to do the something  
     that I can do

Hale

## In the olden days

Wearing a ring on the forefinger signified  
a haughty spirit,  
On the middle finger, prudence and dignity;  
On the "ring" finger, love;  
On the little finger, a masterful spirit.  
Today, on any finger, your Balfour class  
ring symbolizes moments and memories  
shared with your classmates  
Treasure them always.

The first part of the paper discusses the importance of maintaining accurate records of all transactions, including sales, purchases, and expenses. It emphasizes the need for a systematic approach to record-keeping, such as using a ledger or accounting software, to ensure that all financial data is properly documented and organized.

The second part of the paper focuses on the importance of regular reconciliation of accounts. It explains how reconciling accounts helps to identify discrepancies, such as errors or fraud, and ensures that the financial statements are accurate and reliable.

The third part of the paper discusses the importance of budgeting and financial planning. It explains how creating a budget helps to control expenses, manage cash flow, and make informed decisions about the future of the business.

The fourth part of the paper discusses the importance of understanding the different types of financial statements, such as the balance sheet, income statement, and cash flow statement. It explains how these statements provide a comprehensive view of the company's financial health and performance.

The fifth part of the paper discusses the importance of seeking professional advice from accountants or financial advisors. It explains how these professionals can help to interpret financial data, identify areas for improvement, and provide guidance on financial planning and investment decisions.

In conclusion, the paper emphasizes the importance of maintaining accurate financial records, reconciling accounts regularly, budgeting and planning, understanding financial statements, and seeking professional advice. It concludes that these practices are essential for the success and long-term viability of any business.
